Want a romantic memorable marriage at one of the country's top rated small and intimate Inns? An elopement package can be added to any length of stay in any room you choose.

Our Elopement Package is designed to have a stress free ceremony so you can relax and let us do all of the planning. Once booked with an Elopement Package, you will receive an email with helpful information on eloping in Maine and other vendors we recommend.

This package is designed for 2-6 people, we do not do small weddings at our Inn, over 6 is considered a small wedding. The extra 4 Guests that may attend an elopement must be staying at one of our properties. We do not allow outside guests staying at other hotels. Local guests will be considered at \$35 each, up to 6, for the ceremony only. The number of people attending is limited out of respect for the comfort of other guests staying at the Inn.

- Seasonal floral arrangement
- Chocolate covered strawberries in the room upon check in
- Ceremony & officiate fees, scheduling & license filing
- Full bottle of Champagne to toast in our lounge
- Photo-shoot around the Inn and of ceremony, see below for details on photo purchases.
- Transportation to and from dinner. This will normally be in our Antique Mercedes Limo, but may have to be substituted with the Mercedes SUV due to weather or unforeseen car issues.

Typical Elopement Day

Breakfast Buffet is served at the Inn from 8am – 10am, a great way to start your day! Many couples will decide to get salon treatments done the day of the ceremony in late morning or early afternoon. If you wish to have cake or flowers, we recommend delivery around noon. This allows Peter to begin the photography with the extra details prior. Your photo session will begin with Peter at approximately 3pm around the grounds and interior of the Inn, lasting approximately 45 minutes ending with a champagne toast in our Great Room. The ceremony will begin around 4pm, at this time our limousine will drive you to the Marginal Way, if you have chosen to be married seaside. Peter will take photos of you with our limousine, during the ceremony, and several photos after the ceremony. Our limousine will then take you to dinner at Clay Hill Farms (if you have chosen a day Clay Hill is closed, dinner will be at the Old Village Inn). Dinner can be chosen off the regular Menu, and will include 3-4 courses depending on the restaurant. At the end of the meal you will be picked up in our limousine and returned to the Inn to enjoy the evening.

Ceremony

Our officiate will contact you with an option of vows to be read during your ceremony, and work with you to create a custom experience during the marriage. Whether you choose to read your own written vows or let our officiate assist, we will make sure it's the ceremony you wish. The ceremony will be held on site around our gardens or in front of our Great Room Fireplace unless an upgrade to the Marginal Way or Footbridge Beach is chosen.
